**Sherman's Catering Co.** is a complete catering service.

We can help you with all your wedding or party plans as well as the dinner. As you may have only planned one or a few special functions, we have helped plan thousands in our thirty eight years of service.

We have on file lists of professionals and can help you select the ones that will best suit your needs. We invite you to make an appointment to come in and discuss all of your plans with us.

**Service:** We offer two different services.

**Delivery & Set Up is \$35.00** and includes our delivering and setting up your buffet in stainless steel chafing trays and a nice variety of service pieces. The customer would return serving pieces within a few days. **Items returned dirty will be charged a \$55.00 cleaning fee.**

**Complete Service is 21.5% of your total food bill, or a minimum of \$250.00 and includes the following:** We cover all of your guest tables with white table coverings. The head table is covered and skirted in white linen. The buffet table is also covered with white linen. We, of course, take care of all food set up and clean up.

Silverware, salt, and pepper are set at the guest tables. If you like, we will call your guests up to the buffet, table by table, in an orderly manner. We will also cut and serve your wedding cake for you if you so desire.

We also offer complete china, linen (\$4.50 Per. Person), and glassware service (\$1.00 Per. Piece), as well as sit-down dinners.

Thank you for asking for our brochure.
